What's your favorite way to masturbate?

"My first choice is letting the water from the bathtub faucet run over my pussy. Nothing feels better than that. The only drawback is that I end up spending an hour in the bathroom and people start knocking on the door. My next go-to is my vibrator. When it's buzzing on my clit I get some intense orgasms! I always make sure I have a back-up pair of batteries so I can keep the party going."

MOVIE PREVIEW

Best Fuckin' Friends

**6 SCENES OF HOT
TEENS IN GROUP SEX**

Some best friends like to share clothes and shoes. The girls in this flick like to share cocks with their besties. They take turns giving head and getting fucked. They even lick each other's pussies. And at the end of their fuckfests, they're happy to share a load of cum.

Collie & Chastity

Gia & Jayden

Paige & Barbie

Sindy & Jodi

Diandra & Olivia

Kharlie & Lexy

Kharlie gives **Lexy** her first kiss. Then when Kharlie's mom's boyfriend walks in, she gives Lexy her first taste of pussy and her first experience with a real dick. We see cock worshipping at its finest as both girls lick and suck his rod at the same time. One of our hottest three-ways!

MOVIE PREVIEW

Jayden gets caught sucking cock in the girls' restroom by her principal. The principal wants to teach these two students a lesson. And that lesson is how to suck and fuck in a three-way. This MILF gives Jayden sex tips while they take turns working their mouths and twats on this guy's cock.

Paige's car broke down, and little did she and Barbie know that this trip to the mechanic would turn into a teen twat tune-up. The girls fool around with two mechanics. They each get a tool to suck and ride, and then they switch. Barbie gets a creampie and Paige gets a facial.

MOVIE PREVIEW

Sindy and Jodi get hot and heavy making out and feeling up on each other, but they want cock. So they get a guy friend to fuck them both. Some dude walks in on Chastity and Collie doing lezzie stuff, and they invite him to join. He screws them in as many positions as he can think of.

Olivia needs some sex advice, and who better to turn to than a hot, experienced MILF? **Diandra** shows Olivia exactly how to rub, suck and fuck cock. Diandra gets cock first while Olivia looks on in anticipation and rubs her clit. Soon it's Olivia's turn and she gladly rides that fat dick.

**Have you
had sex
with him?**

"Sort of. He stuck the head in, but we had to stop because we thought we were going to get caught. But just having those couple of inches inside of me felt so good. I wanted him to stick it all the way in so bad. We're going to officially fuck ASAP. Till then I'm fingering myself every day thinking about it!"

Franziska's experiments go beyond the science lab.

She's a curious teen who likes chemistry...especially when it's between her and a guy or girl. "I've done my share of experimenting. Guys, girls—I'm down for whatever. Three-ways are fun. I've had a couple with another guy and girl, but I really want to try one with two guys."

**What other

"I used a strap-on
dildo with a girl.
First I fucked her
with it, and then
she fucked me
with it. I prefer a
real cock, but it
was still good and
a lot of fun. I like
that I don't have

still makes me
cum hard."

**It's pretty kinky that
you'd get naked in this
science lab.**

"Oh, that's nothing. I fucked a guy in here once during lunch break. It had to be a quickie, but it was so exciting. He bent me over the desk and fucked me from behind. Then I got on my knees and swallowed his load."

BEING A HIGH SCHOOL TEACHER WASN'T ALL IT WAS CRACKED UP TO BE. BUT EVERY ONCE IN A WHILE, SOMETHING HAPPENED THAT MADE IT ALL WORTHWHILE. SOMETIMES A FORMER STUDENT WOULD COME BACK, LOOKING FOR MORE THAN ADVICE OR A LETTER OF RECOMMENDATION, AND EVEN A HISTORY TEACHER COULD GIVE A FORMER STUDENT SOME...

AFTER-SCHOOL SEX ED

By Joe Monks

"Hiya Mr. Gifford!"

I looked up, expecting to see one of my students poking their head into the room. The school day was long over, but some of the sports teams would still be practicing, so a straggler—even this late—wasn't unheard of. Only, this was no straggler or even current student. In fact, it took me a couple of seconds just to remember who the girl was.

"Hey there...Amanda!" I finally managed, hoping I'd gotten it right. Not that I often forget students' names from the previous year. Most I'll remember long after they graduate. But with Amanda, it was different. Very different. This wasn't the same girl who'd sat third row, fifth chair in my history class the year before. Not by a long shot.

"You remembered!" she bubbled, flashing a big smile. I hoped my *Whew!* wasn't too obvious.

"Of course," I lied, slipping back into my chair, glad I had something to put between my crotch and my former student. Amanda was giving me an erection that was flat-out painful, which wasn't something that

happened much, given how many years I'd been standing in front of a classroom full of high-schoolers.

I've been teaching for a long time. Twenty-two years this September. I've seen a lot of kids grow up fast. I mean, right-before-your-eyes kind of fast. Kids you taught in ninth grade who were as awkward as newborn colts taking their first step, to captains of the football team and King and Queen of the prom. Sometimes, changes like that seemed to come almost overnight.

That hadn't been the case with Amanda. She was one of the forgettable kids. Whatever had happened to her had happened sometime during the summer, well after she'd crossed the stage and taken her diploma. Staring at her now—and I was pretty sure I was staring, I couldn't help it—left me speechless. The Amanda who'd struggled through history class last year had gone from a pimply-faced, flat-chested kind of boyish-looking senior to a curvy, blemish-free stunner. The Amanda I remembered? She hadn't even looked like a senior. She'd had braces for chrissakes, and carried her books the way insecure girls did

back when I was in high school—clutched to their chest to either hide their boobs or hide the fact they hadn't developed any yet. I don't know what this Amanda had done with that one. Maybe called in the bodys-natchers or something.

She said she was glad she caught me, and started making small talk. She was back from college on break, and figured she'd stop by, see which of her teachers might still be around. I half-listened, trying to do something to keep from fidgeting. My zipper felt like it was tattooing itself into my shaft, that's how tight my pants had gotten. I started packing up my laptop, which had finally charged up. I was doing the opposite of what Amanda was for the long weekend, getting out of town. I had a reservation for a cabin out in the middle of nowhere and my fishing rods waiting in my SUV. I still wasn't really sure why Amanda had knocked on my door. She'd been awful in class. Failed a test or two, didn't pay much attention. If not for a few study sessions the final marking period, she might have failed the final. But she worked at it enough, and I cut her some slack with a homework assign-

ment or two, and, well...she made it through. I took a second to feel green with envy over whoever might be teaching her now. Especially if Amanda ever wore a skirt to class. She'd been about five-nothing the previous semester. She must be at least five-five now and I could picture those legs bare to the thigh from a vantage point at the front of the room, especially whenever she crossed or un-

"...the best," she was saying. Crap. I'd totally zoned out on her. I felt guilty about that, thinking with the little head and all, but I reminded myself—she wasn't one of mine any more. She was 18, maybe 19. She'd graduated. If I wanted to take a thirty second mental vacation where she showed up braless and looking to massage the back of her throat with my cock? No biggie.

She was leaning on my desk now. You know how girls do, palms pressed flat and the insides of their wrists touching, like they're hiding behind their arms? Well, maybe last semester Amanda could've pulled it off, what with her tits being nonexistent and all. Not now, though. Her shirt was loose enough to show

cleavage, and I could tell she wasn't packing Kleenex in there. My guess was that she'd sprouted into a C, and might not be finished yet...

"You look like you're in a rush," she said, the smile fading. "I guess I'll get going."

"No, not at all," I said quickly, not really sure why. If Amanda didn't get out of here, I was going to be in serious need of new briefs and a fresh pair of jeans. I was going to back-track, when she sat on the end of my desk, half turned toward the window. The profile view of her ass made me gulp. She leaned a little closer. Shit, I was practically staring down her shirt. The view was worth it, though. Her boobs looked gorgeous in that simple, white bra.

I shot a glance at the door. Amanda had, quite literally, poked her head in. The door was practically shut—but not quite. Despite the place being a ghost town, it still made me nervous. Still, I couldn't take my eyes off Amanda's tits, especially when she was all-but sticking them in my face. I wondered what it would be like to wrap my tongue around her hard nips. To taste her teen sweat as I licked a trail down to her pubes and—

"...this weekend?"

She'd asked me a question, but I'd missed it. Another mental vacation. This one spent with my tongue up her slot, two fingers buried in her barely-legal box.

"Oh! The weekend?" I fumbled, my brain grinding gears. "Going up to Mt. Sloane, do some fishing." Boy did that plan sound lame now. The only thing I wanted to do was bend Amanda over my desk and fuck her from behind until I blew my load onto her back...or until the custodians locked up the building, whichever came first. I knew it—I could've rubbed one out in the john with one stroke right then.

"Do you have to leave...soon?" she asked, dragging the question out a little longer than necessary. The signals she was putting out were unmistakable. I...I just didn't know what to do.

"Not right this minute," I said, trying to play it cool. Yeah, right. Still, I pressed on. "Why?"

Amanda looked over at the door, reached behind herself to scratch her back. She looked a little unsure herself when she turned back.

"Oh, no reason. I was just, you

know, wondering..."

She leaned in again. Only this time, her breasts were exposed. She hadn't been scratching her back. She'd been unclasping her bra.

"Amanda," I said, practically talking into her hair, we were that close. My briefcase hit the floor with a hollow FUMP! As I pulled her over the desk, her legs parting as she slid toward me.

Now her juicy boobs really were in my face, feeling just as good as I'd imagined. I inhaled her scent, a mixture of strawberries and lip gloss and vanilla shampoo. A girly-girl through-and-through.

Then the cloth was gone, her shirt off and the bra sliding down her arms as she shrugged out of it. I buried my face between her perky knockers, nibbling the flat patch of skin between those luscious boobs.

She pulled me up to kiss her, her tongue tasting sweet and meeting mine with equal urgency. I fondled her ass under her skirt while we French kissed, her shiny fingernails digging into the back of my neck.

I couldn't believe this. I'd been teaching for 22 years, longer than Amanda had been alive. And still, it didn't slow me down. I didn't give a damn about the weekend, about my stupid fishing trip, about the fact that the door to the classroom was standing a few inches open and anybody could walk in on us. Amanda and I were both good to go, and I couldn't wait to dip my wick into her sweet, pink crevice.

Amanda kicked off her shoes, and they landed on either side of my chair as I caressed her creamy thighs. I could feel the heat coming off her pussy right through her yellow cotton undies. Amanda might've grown up in the tits and ass department, but she hadn't graduated onto thongs and slutty underwear, which I found to be a huge turn-on. Those plain yellow bloomers—damp at the center where her juices had soaked through—made me dizzy. I took a big whiff, before planting my mouth square on the well-defined cameltoe.

Amanda gasped. I pressed my tongue into her, grinding it against her button, the texture of bloomers-on-clit making her squirm. Her wetness was pouring right through, to the point I could feel her lube coating

my tongue.

"I want to eat you," I huffed into her crotch, trying to snag the waistband. Amanda hoisted her ass off my desk, and I tore her panties off before diving tongue-first into her sweet muff.

Her folds were slick, her tight canal greased-up with nature's lube. I savored the taste, her velvet pubes tickling my nose as I went down on her.

Amanda wrapped one leg around me, digging her heel into my back. Her skirt was still on, which I found incredibly hot for some reason. She reclined on the desk, eyeing my progress over her well-formed breasts. I looked up at her, hungrily devouring her teen wetness. When she smiled this time, I noticed something I'd missed before. Her overbite. It was better now, but still there.

And so were her braces.

The sight of her, gnawing on her bottom lip while I tongue-fucked her, made me increase my pace. I was flicking her clit, swabbing out her smooth snatch, and then probing her silky hole in rapid succession. Amanda mewled with pleasure, grabbing me by the ears and pulling my face deeper into her fuzzy triangle.

"Make me cum! Please! I need it so bad!" she begged, her back arching, her hips driving her glistening pie up to meet my tongue.

Making her cum? No problem. Deciding when she'd had enough? Now that was a little more tricky.

Amanda was trying to hold herself steady on one elbow, her right hand clutching a handful of hair. She was three or four climaxes in by then, I couldn't remember. My face was streaked with her goo. Some had dripped off my chin. It spotted the hardwood floor between my knees.

I nibbled her hood, slowly working a second finger into her fuck tunnel, teasing her G-spot while I worked over her swollen nub. The orgasm it triggered was, in a word, explosive. Amanda cried out loudly, and for the first time since we'd thrown caution to the wind, we each backed off a little.

"G-got...to...stop," she sputtered. "S-slow up!"

I took my time giving in, teasing her by running my tongue over her hole one more time before breaking contact.

"What's wrong?" I said, pretending to be serious. "You're not in a hurry, are you?"

"Get up here!" she demanded, reaching down and grabbing me by my belt. I stood up, the pressure on my cock making me wince. Amanda fought to get my belt undone before deftly fishing out my prick. My relief was instantaneous, the head of my poor cock was damn-near purple from its confinement.

"Awww," Amanda cooed. "Somebody needs some lovin'..."

Her tongue darted out, the tip finding my dickhole and licking away the pre-cum that had been forming there. I sighed, moving forward, my cock parting her lips and slithering across her tongue. She closed her mouth, engulfing a good three inches, looking up to watch me as she gobbled my dick.

Amanda wrapped her fingers around my pole, thumb massaging my glans as she proceeded to suck me noisily.

"I'm probably not too good at this," she said. "I've only done it two or three times."

***"I can't wait to try all the
cock at my new school."***

Being the new girl comes with lots of perks.

Ava just started a new school, and all eyes are on her. While that might make some girls uncomfortable, Ava is loving the attention. "Everyone is always interested in the new girl. Boys want to get to know me. The girls don't like that too much, but they're just mad that I'm getting their crush's cock."

A woman with long dark hair is sitting at a white table in a school cafeteria. She is looking over her shoulder towards the camera. She is holding a pink cloth in her hands. On the table in front of her are various items including a carton of juice, a box of snacks, and some food. In the background, there are other tables and chairs, and a sign that says "REPORT CARD" is visible on the wall.

Are you hooking up with guys?

"Yes. I've already fooled around with two guys in my new school. They're both really cute. One guy ate me out under the bleachers and then I sucked his cock. And the other one I fucked in the backseat of his car during lunch. When I came back to school, my pussy was still dripping wet. I had to sit through the rest of the day in my own juice-soaked panties. To be honest, I thought that was super hot."

Wow! Are you worried about people calling you a slut?

"Pft. No. Girls can fuck whoever they want these days. Calling them a slut is like, so lame and old school. It's definitely not going to stop me from enjoying myself, and I already have my eyes on someone new. He's on the basketball team and I'm going to put his BBC in my mouth."

Her horny pussy was getting the best of her at school. "I couldn't concentrate. What's the point of being there?" Leah's parents were at work, and she needed to get off. So she left school to rub one out. "I could've done it in the bathroom, but there was only one class left."

LEAH

**"Skipping school to masturbate
isn't the worst thing."**

Were you really that horny that you had to leave school to masturbate?

"Um, yeah! My panties were soaked and my pussy was aching. All I could think about was sucking and fucking cock. I wasn't going to learn anything. So I came home and gave myself four amazing orgasms. It was worth it."

Alina is trying to help this guy study, but he's more interested in studying her pussy. "At first I thought it was super obnoxious, but then I started to get turned on. So I let him eat my pussy, and that turned into us fuckin'." Watch the scene in *Fuckin' Nerds 2*.

Did you really think you'd get any studying done with this guy?

"Yeah, I did! I like to give people the benefit of the doubt. Plus, he's so not my type. I prefer intelligent guys, not dumb jocks. But while he was flirting with me, I noticed he was kind of cute. Then I saw how big his bulge was and I started to get curious. Jock guys are supposed to be good in the sack."

So did he fuck you properly then?

"I hate to say it, but he really did. He was more aggressive and perverted than the guys I'm normally with, which I liked. I'm used to having to initiate things, so it was nice for someone else to take charge. He really pounded my pussy, and his cock was huge! I don't know if I'll fuck jocks regularly now, but I'm definitely open to an occasional 'study session' with my lesser academically-inclined classmates."

Luccia owes a lot to Mr. Dickens and wants to repay him for his help.

If it weren't for Mr. Dickens, Luccia wouldn't have passed the year. He spent many hours after school tutoring her to help boost her grades. "I was so thankful to him. It would be humiliating if I failed! So on the last day of school, after the bell had rung, I came to thank him. To really show him my appreciation, I sucked his dick right there at his desk. It was just as big as I had imagined." You can check out the hardcore scene in the movie *F.U.*

How did he react when you hit him?

"I always had the feeling that he had a crush on me, but he was always very respectful. But today I noticed that he had a hard-on. I guess since I'm not technically a student anymore he was okay with it. I started rubbing his cock through his pants and he was into it. I think he always knew it would come to this. Sucking and fucking hard."

Was the sex with Mr. Dickens everything you hoped it would be?

"It was everything and more. We both had a lot of pent-up sexual tension. I could tell by the way he pounded my pussy and slapped my ass that he had been wanting to do this all year. I could just feel that he wanted me, you know? And I wanted him. My pussy got super wet and I came so hard that my whole body shook. And he was such a gentleman. He pulled out and came on my ass. I told him next time he better cum on my face. That's right—next time."

AFTER-SCHOOL SEX ED

Continued from page 30

"Trust me, Amanda," I said, because it was actually the truth. "You're doing just fine."

I could tell she was still nervous. That's probably why she was holding onto my shaft like it was a life preserver. I waited for her to get into a rhythm, and then gradually pried her fingers loose.

She was still tentative, but she was willing to try, and that was good enough for me. Each time she worked her way down my shaft, she'd alternate between trying to take a little more of me into her mouth and giving me a stroke or two as she pulled back. Inexperienced? Maybe. She wasn't giving up, though, and the rumbling in my nuts told me that if she got any better at this, she was going to have to learn how to guzzle jizz—and fast.

Amanda was a drooler. Strands of saliva ran down my shaft from her blow job. Slurp-slurp she went, really getting into it, jacking me harder and faster the deeper she throatied my pole. Finally, when I didn't think I could hold out any longer, her mouth pressed into my curlies, and she had nothing left to grab onto but my soggy sac.

"Mmmmmmm," she mumbled. "You're gonna make me swallow it, aren't you? Gonna make me gag on all your jizz?"

It wasn't really that she was worried about me making her do anything. Looking into her eyes, into her sweet, hollow-cheeked face, it was pretty obvious what she wanted, and that was for me to gush in her mouth. To bust my nut and let her see if she could keep up with the flood of sperm my nuts were getting ready to pump down her throat.

I'll admit, I wanted nothing more than to fill Amanda's mouth with jizz. My balls were aching to be empty, and seeing the train tracks whenever her lips pulled back was more than enough incentive.

Only, I didn't. This was, quite possibly, a once-in-a-lifetime chance, and I wanted a shot at parting Amanda's pink with something more than my fingers and tongue. Reluctantly, I withdrew from her mouth, and pulled her into my lap.

Once, after a parent-teacher night about three years into my career, I'd snuck off with a guidance counselor to an upstairs classroom where we'd gotten it on in this very chair. The arms were ratty and the stuffing pounded flat, but I'd dragged it around the building no matter which room I'd been assigned. I'd fucked Gail's brains out in this chair, and whenever I had a particularly bad day, it brought back fond memories to sit in it and think about what we'd done that night. Chair fully reclined, Gail's athletic legs spread wide, driving my prick up into her fuzzy love-hole, barely slowing up long enough for me to get a rubber on, then finishing in a pool of sweat and cum and pussy juice. Hell, if I could bank on one of those conference nights a year, I wouldn't bitch about the crappy pay so much.

Amanda, though, wasn't up for just riding my cock the way Gail had done. When she saw what I wanted, her eyes lit up. Then she swiveled around, hooked her tiny feet into the arm rests, and slowly—and I mean s-l-o-w-l-y—lowered herself onto my cock, her ass pressing into my chest as she worked her pussy down my shaft inch by inch.

She settled on my cock, her ass cheeks resting on my lower abdomen. She looked back over her shoulder at me—something that absolutely drives me crazy whenever I'm doing a chick doggie-style, and mouthed the word, "Ooh," before blowing me a kiss. Her lips were still slimy with my pre-cum. She must've felt it, or noticed me looking, because she took her sweet time licking them clean.

Amanda pushed herself up, using the armrests. Then she began to bounce in my lap, moaning softly, throwing her head back and taking control of the action.

She got no complaint from yours truly. She could do whatever she wanted. I would've willingly gone down whatever slutty teenage fantasy road she wanted to travel. This was a new one for me, and I wasn't about to interrupt.

"Ungh!" she grunted, speeding up. Her shoulders were pushed back, her tits jutting out. I could feel her clenching her muscles by the way her ass cheeks tightened. Whenever she leaned forward, I got a real good look

Annie is one of those girls who's naturally gifted when it comes to academics. She catches on quick and gets good grades. That's great for her future, but there is a lesser-known benefit to being smart. "I finish my homework so fast that I have lots of time to masturbate! That's my favorite after-school activity."

**REPORT

ANNIE

HEIGHT: 5'6" **WEIGHT:** 111 lbs.
BRA SIZE: 32A **BORN:** July 31

Do you masturbate every day after school?

"Pretty much. I spend a good hour or two exploring my body and playing with my pussy. The only exception is when I go over to my friend-with-benefits' house and have sex with him. I could do that more often if I wanted to, but I prefer to keep things casual so I can focus on my studies. But either way, I cum every day after school."

**What do you
think about
when you
masturbate?**

"I think about sexual experiences that I've had before, like hot sex I've had with my friend-with-benefits. I also like to think about guys I'd like to fuck. And to be honest, lately I've been fantasizing about girls too. I have this scene I always think of and it gets me off every time. There's a guy fucking me and a girl sitting on my face, and we all cum at the same time."

CHARITY

**"If you want
a good cum,
fuck a nerd!"**

You'd be surprised by the kinds of guys Charity is attracted to.

Charity is hot. That's obvious. She has a pretty face and a bangin' body. She's tall and popular. Guys line up around the corner to date her. But instead of picking the obvious choice, like the football captain, Charity goes for the underdog. "Jocks and popular guys don't do it for me. This might sound weird, but I always have crushes on nerdy or weird guys. They have better personalities, and they actually care if I cum when we fool around."

CHARITY
HEIGHT: 5'11" **WEIGHT:** 120 lbs.
BRA SIZE: 32B **BORN:** Nov. 17
LIVES: Greensboro, North Carolina

What's been your experience fucking popular guys and jocks?

"They just want to stick their dick in my pussy and cum, which usually happens in like two minutes. They think they're god's gift to women, so they don't even try. I'm over it. On the other hand, nerdy guys will go above and beyond to please you. The ones I've been with have given me multiple orgasms just from eating me out. They put my pleasure first. So that makes me want to swallow their cocks down to the balls and ride them all night long."

How do they react when they find out that you're DTF?

"They're shocked that I'm down to fuck. Sometimes they don't believe me. But once we start making out and they feel how wet my pussy is, they know I mean business. Even after we've had sex, they can't believe it happened. But they always seem to appreciate it. I can tell by the way they stick their tongue in my hole and by the huge loads they blow in my mouth."

at her puckered little asshole. Had anybody ever been up there before, I wondered. Staring at it, I wasn't sure about getting my index finger more than a knuckle deep in her. The words *virgin territory* flashed in my mind, and I closed my eyes to try and prolong things just a few strokes longer.

"Hold me!" Amanda choked, clutching at my hands. I did, our fingers twining. Amanda used me to support her, dragging herself up off my cock as far as she possibly could, the tip of my prick nearly slipping out of her as she got herself off again. I thought that would be it, that she'd cum again and then maybe go back down on me. No way was I prepared for what happened, though.

"You like it like that, don't you?" she asked, again looking back at me.

"Oh yeah," I told her, feeling the temperature in my balls move a few degrees closer to boiling.

"You like watching yourself fuck me, huh?"

"There's a lot to enjoy looking at," I answered, feeling the tightness growing between my legs. We were going to have to change positions again, and soon. I was getting close.

"You don't wanna take it out of me...do you," she said, not really a question. Even if it had been, she already knew the answer.

"All good things must come to an end," I said, worried that this was going to come to a messy end indeed.

"But I don't want this to come to an end," she said, pouting, those full lips of hers making me quiver. "Not until...you know..."

I didn't know. I mean, sure, I wanted to go all night, but we couldn't do that here, in my classroom. She giggled when I said so.

"Noooo, silly," she told me, flashing the metalmouth at me again. My balls hitched. I tried to think of something to say when she pressed herself down into my lap for the last time, then pinned me to the chair, pulling my hands onto her boobs.

"Not 'til you cum in my pussy," she whispered.

I exploded, my cock spitting a fiery blast of jizz into her vag. Amanda's

She wears tartan skirts because she likes the slutty schoolgirl look. But it's not just a look. It's a lifestyle. "You could say I'm a bad girl. I get detention a lot. If only the principal knew how often I've cum in detention."

ANA

"At my school, everyone fucks in detention."

How do you manage to get away with that?

"The guy who watches detention does not give one shit about what we do. I don't blame him, especially with the crappy salary they get. The kids who get detention do all kinds of wild stuff in there. In fact, part of the reason I rub my pussy so often in detention is because there are guys getting their dick sucked or people straight up fucking and it makes me horny. I think I've left a permanent stain in the chair from how much I've juiced in it."

How come you never sucked or fucked in detention?

"I'm not into the guys at my school. I like older guys. These boys don't know how to work a girl's pussy, so I'd rather just watch the show and get myself off. I can make myself cum in like three minutes."

eyes bugged out when she felt the force of my load flooding into her.

"Wow!" she gasped, rocking back and forth, milking my bone with her twat. It had been a while for me, and there was plenty of spoooge to be had. I fondled Amanda's breasts, kneading her erect nips. I couldn't tell, but I was pretty sure she was fingering her clit while I emptied my nuts into her snug pink tunnel. After what seemed like forever, as I finally started to flag, she mumbled something into my ear.

"Sure beats last year's after-school sessions," she said. "I've wanted to do that all summer."

We walked out together, me carrying my briefcase and Amanda with her overstuffed knapsack slung over one shoulder. It reminded me for the first time of what she'd looked like the previous year. Still, the difference her growth spurt made was almost unbelievable. I asked her if she wanted a lift. She shrugged.

"Aren't you heading home?" I asked, opening the door for her. She looked at me like I was crazy.

"Are you kidding? I didn't even tell my folks I was coming home this weekend! I came back to have fun, not a curfew!"

I thought about it for a long time, maybe a hundredth of a second, before asking, "I know it's not the coolest thing, but what do you think of camping?"

She pretended to think about it.

"Depends. Tent or cabin?" she asked mischievously.

"Cabin," I said, holding open the door. "No slumming it for me." She slid onto the seat, giving her ass a little shake for me.

"Hot shower?" she continued, sounding interested.

"Big enough for two," I confirmed.

"Did I ever mention that I love camping?" she said, putting a hand on my thigh as I slotted the key and brought the truck to life.

I felt a stirring in my pants.

"Do tell," I said, hustling out of the parking lot. She wasn't in the mood for talking, though. There were other things to occupy her mouth with. NS

Is it true that all cheerleaders are horny sluts?

"I'd say it's like, half true. It's definitely true for me! I want to fuck all the time. Like half the girls on our squad are like that. The others are kind of prissy and prude. They think they're too good to touch a dick. But fuck all that waiting for marriage shit. Purity is overrated. Getting fucked and cumming hard is where it's at. So that's what I'm gonna do!"

How do you feel about a guy cumming on your face?

"I love facials! Well, I just love cum. I love it in my mouth or in my pussy. The guy can cum anywhere he likes and I'm happy. Just make sure it's a big load! I always tell my boyfriend he better not fuckin' jack off if he's going to see me later because I want him to give me as much cum as his balls can squeeze out.
